

BANSHEE

Ex 26S Siren S1

The Banshee Ex 26S Siren S1 is a powerful motorized siren engineered for the most demanding environments, including fiery mines and petrochemical plants. Built within a robust 304 or 316 stainless steel enclosure, this explosion protected device features two M20 cable gland entries and a unique screw-on lid for straightforward cable connections. The impeller and cover are further safeguarded by a durable stainless- steel nose cone, ensuring reliable performance in critical situations.
